Post Card

How are you all?
and have such a cold I can't feel
been down sick in bed a week with
such a cold but no better now.

Barney got his ankle
and foot crushed last
night in the mine and
is now in the Union Hospital
we are afraid that his
foot will have to be
taken off. As soon as
I give me a letter. Address
out east. From Bro. Bea.

Mrs. Emma Powell,
Hutsonville,
Ill.
